3. Plan with co-workers the upcoming worship time

Tell about Paul's meeting with the Ephesian elders, from **Acts 20:17-38**. Ask questions about what you found (See Part 1, above).

Explain the qualifications and duties of shepherding elders.

Announce and deal with the plans that you made for ministries that need development (See Part 2, above).

To introduce the Lord's Supper, read John 10, verses 11-15 and 27-30. Explain that Jesus is the Good Shepherd who shed His blood for His sheep, who we are.

Let the children present what they have prepared (always have children's teachers use the Paul-Timothy Children's Study of the same number and topic as the New Shepherd's Study.)

Meet in groups of two or three persons to pray, encourage one another and make plans.

Memorize together Jeremiah 3:15.

God's Shepherds Do What the Apostles Told Elders to Do

Those who teach children should read study #87 for children.

"I exhort the elders among you, as your fellow elder and witness of the sufferings of Christ, and a partaker also of the glory that is to be revealed, shepherd the flock of God among you, exercising oversight not under compulsion, but voluntarily, according to the will of God; and not for sordid gain, but with eagerness; nor yet as lording it over those allotted to your charge, but proving to be examples to the flock. And when the Chief Shepherd appears, you will receive the unfading crown of glory."

1 Peter 5:1-4

Prayer: "Dear Lord, please help us elders to shepherd the flock that you entrusted to our care. Help us to do it willingly and not for money, not by lording it over them but by serving humbly as examples, the way that Jesus and His apostles modelled it."
